

ISPPD-13 Abstracts

ISPPD-13 ABSTRACTS ARE NOW AVAILABLE

[READ ABSTRACTS](#) Abstracts accepted into the ISPPD-13 scientific programme of registered presenting authors are published via this page on the first day of the Meeting.

Registered attendees will be able to view all abstracts in advance (from 11 March 2024) via the ISPPD-13 mobile application. The application is accessible only to registered attendees.

Please note that only abstracts of presenting authors registered for the ISPPD-13 Meeting by **9 January 2024 for regular submission abstracts and by **13 February 2024** for late-breaking submission abstracts will be included in the ISPPD-13 scientific programme and online abstract publication. If you are a presenting author and have completed your registration after the above dates, please contact the meeting organisers at isppd_abstracts@kenes.com to confirm your participation status.*

***Any changes to abstracts after the above key dates will not be included in the online abstract publication.*
